

- 1. INDIA'S ECONOMIC DEVELOPMENT ..... 01 - 28**
  - 1. Economic Development and Economic Growth, 2. Developing and Developed Economies, 3. Structural Changes and Economic Development, 4. Prerequisites for Economic Development, 5. Features of Less Developed Economies, 6. Traditional and New Approaches to Development 7. Classification of Countries in Terms of Development by the World Bank 8. GDP Size and Level of Development, 9. Understanding India's Economic Transition 10. Features of Indian Economy as a Developing Economy, 11. Indicators of Development (A) Measurement of Development in the Traditional Way: GDP and GDP Per Capita Income (B) Measurement of Development Based on the Well-being of the People (i) Physical Quality of Life Index (PQLI) (ii) Human Development Index (HDI) – Groupings for HDI (iii) Multidimensional Poverty Index, Methodology of MPI (iv) Human Poverty Index (HPI)–(v) Inequality Adjusted HDI (vi) Gross National Happiness (GNH) (vii) Gender Inequality Index (GII), 12. Sen's Capability Approach.**
- 2. NATIONAL INCOME OF INDIA .....29 - 48**
  - 1. National Income Trends in India 2. Features of India's Economic Growth 3. Symptoms of Structural Retrogression in the Indian Economy, 4. India and the Middle-Income Trap 5. Savings and Capital Formation 6. Ministry of Statistics and Programme Implementation— (i) Central Statistics Office (CSO) (ii) National Sample Survey Office (NSSO), Various Surveys Conducted by the NSSO—(i) Household Consumer Expenditure Surveys, (ii) Periodic Labour Force Survey (PLFS), (iii) Employment and Unemployment Surveys, (iv) Urban Frame Survey (UFS), (v) Time Use Survey, (vi) Annual Survey of Industries (ASI), (vii) Swachh Bharat Survey, NSSOs Data Collection for CPI, Recent NSSO Rounds, National Statistical Commission (NSC), Periodic Labour Force Survey (PLFS), Concepts Related to PLFS.**
- 3. RESERVE BANK OF INDIA - ORIGIN AND STRUCTURE.....49 - 63**
  - 1. How were Central Banks Born and Evolved? 2. Origin of the RBI, 3. Central Board of Directors 4. RBI Offices, 5. Subsidiaries of the RBI, 6. Deposit Insurance 7. Understanding RBI as a Central Bank through its Balance Sheet – Need for Capital Reserves, (a) Important Assets of the RBI – (i) Gold Coin and Bullion, (ii) Foreign Currency Assets, (iii) Investment in Domestic Securities, (iv) Loans and Advances (b) Liabilities of the RBI – (i) Liabilities of the Issue Department, (ii) Deposits held by Governments, banks and other institutions with the RBI, (iii) Other Liabilities and**

Provisions,	8. Staggered Surplus Distribution Policy of the RBI, 9. RBI's Capital Reserve—Components, How CF and ADF are Financed?	
<b>4. RBI-FUNCTIONS</b>		<b>65 - 93</b>
<p>Functions of the RBI — <b>1.</b> Monetary Policy Formulation and Implementation <b>2.</b> Financial Regulation and Supervision, <b>3.</b> RBI as the Banker to the Banks—Payment and Settlement System, Lender of Last Resort, Deposit Insurance <b>4.</b> RBI as a Banker to the Government (i) RBI as the Banker to the Central Government, (ii) RBI as a Banker to the State Governments, RBI Assisting States for Debt Management, (iii) RBI's Management of Public Debt, RBI's Temporary Loan Facilities to the Governments—(a) RBI's Temporary Loan Facilities to the Central Government, Ways and Means Advances (WMA) to the Centre, Overdraft, Cash Management Bills, (b) RBI's Temporary Loan Facilities to State Governments - (1) WMA (Ways and Means Advances) for States, a) Special Drawing Facility (SDF), b) Normal WMA, (2) Overdraft, (iv) The RBI's Government Finance Support Structure <b>5.</b> Management of Foreign Exchange Reserves and Foreign Exchange Management, <b>6.</b> RBI Facilitates the Payment and Settlement System—Payment Regulation in India, RBI and the Administration of the Payment System in India <b>7.</b> Currency Management—Functions of the Issue Department, (I) Minimum Reserve System, (II) RBI's Currency Design, Printing, Denominations and Demonetisation—Facts and Procedures - (i) Who Makes Recommendations on Currency Design?, (ii) Currency Printing, (iii) Notes and Denominations, (iv) Withdrawal of Currency Notes, (III) What is the Procedure for Withdrawing Legal Tender Status?, (IV) Different Forms of Money - High Power Money, Narrow Money and Broad Money, (1) Conventional Approach, (2) Chicago Approach, (3) Gurley and Shaw Approach, (4) Central Bank Approach, (V) Monetary Aggregates, Narrow Money (M<sub>1</sub>), Broad Money (M<sub>3</sub>), New Monetary Aggregates, Explanations for Understanding Monetary Aggregates, Reserve Money and its Components, Reserve Money in India, Importance of Reserve Money, Currency in Circulation, (VII) Currency Chests, What are RBI's Currency Chests?, Where are the Currency Chests Located?, (VIII) Money Multiplier and the Determinants of Money Supply, Money Multiplier, The Process of Credit Creation and Working of the Money Multiplier <b>8.</b> Development Role, <b>9.</b> Research and Statistics.</p>		
<b>5. RBI - MONETARY POLICY</b>		<b>95 - 148</b>
<p>Why Central Bank is the Right Institution Dealing with Monetary Policy? <b>1.</b> What is Monetary Policy? <b>2.</b> The Science of Monetary Policy—How Monetary Policy Works?, Monetary Policy and its Connection with the Banking System, Monetary Policy Implementation and its Working, <b>3.</b> Objectives, Instruments and Targets of Monetary Policy <b>4.</b> Monetary Policy Transmission Mechanism – the Science of Monetary Policy</p>		

Implementation 5. Objectives of Monetary Policy—(i) Price Stability, (5.1) Annual Inflation Targets under Monetary Policy, (5.2) Why the Mild Level of Inflation is Good for the Economy?, (ii) Financial Stability, (5.3) Importance of Financial Stability after the Global Financial Crisis, (iii) Provision of Adequate Credit to Different Sectors of the Economy to Support Economic Growth, (5.4) The Conflict between Different Objectives of Monetary Policy, 6. Instruments of Monetary Policy - Direct Instruments and Indirect Instruments, (6.1) Direct Instruments, (a) Cash Reserve Ratio (CRR), (b) Statutory Liquidity Ratio (SLR), Eligible Instruments under SLR, (c) Refinance Facilities, (6.2) Indirect Instruments of Monetary Policy, (1) Repo Rate (2) Reverse Repo and Reverse Repo Rate (3) Liquidity Adjustment Facility (LAF), Working of the LAF, How the LAF Helps to Ensure Systemic Liquidity?, (4) Open Market Operations (OMOs), (5) Market Stabilisation Scheme (MSS), What is Market Stabilisation Bonds (MSBs)?, (6) Marginal Standing Facility (MSF), (7) Term Repo, (8) Long Term Repo Operations (LTROs), (9) Targeted Long-Term Repo Operations (TLTROs) TLTRO 2.0, (10) Dollar Rupee Swap Facility, (11) Bank Rate, (12) Corridor, The Shift in Importance of the Instruments of Monetary Policy, 7. Inflation Targeting in India – (7.1) What is Monetary Policy Framework?, (7.2) Evolution of Monetary Policy Framework in India, Monetary Targeting, Multiple Indicator Approach, Journey to Inflation Targeting – Urjit Patel Committee (7.3) Inflation Targeting in India, (7.4) Features of India’s Flexible Inflation Targeting Regime, (1) Flexible Annual Inflation Target, Annual Flexible Inflation Target for 2021-26, (2) Repo as the Policy Rate, (3) Time Period for the Set Target, (4) Condition for a Failed Target, (5) Response by the RBI if the Inflation Target is not Met, (6) The Monetary Policy Committee, (7.5) Criticism of Inflation Targeting, Evaluation of the First Monetary Targeting Phase (2016-21), 8. Liquidity – (8.1) Significance of Central Bank Liquidity, (8.2) Systemic Liquidity, Systemic Liquidity in the Indian Context, (8.3) Systemic Illiquidity, (8.4) What Mechanisms are there to Support Liquidity?, 9. Call Money Market (CMM) - Notice Money, 10. RBI’s Liquidity Support to the Financial System – the LAF and Other Interventions – (10.1) Big Changes Happening to the RBI’s Liquidity Management Exercise, (10.2) Long-term Instruments, (10.3) The New Liquidity Framework – Tools, 11. Liquidity Operations by Central Banks in the Context of the COVID-economic Disturbance - RBI’s COVID Response – the Liquidity Support Measures

**6. INFLATION AND THE INDIAN ECONOMY .....149 - 172**

**1. What Causes Inflation? - Supply Bottlenecks, Demand Factors, 2. Types of Inflation - (1) Classification in Terms of Origin, (a) Cost-Push Inflation, (b) Demand-pull Inflation, (2) Classification of Inflation in Terms of Intensity, (3) Other Classifications of Inflation, (a) Structural Inflation, (b) Stagflation, (c) Skewflation, (d) Open Inflation and Suppressed Inflation, (e) Anticipated Inflation and Unanticipated Inflation, 3. Other Types of Price Level Movements – Deflation, Disinflation, Reflation, 4. Effects of Inflation - Macroeconomic Effects of Inflation, Inflation as a Tax on the Saving People, 5.**

Measurement of Inflation in India - Various Price Indices in India, (A) Consumer Price Index, The emergence of CPI as the Most Important Inflation Index, Different Types of CPIs, (1) Consumer Price Index (prepared by the CSO), Urban CPI and Rural CPI, Grouping of Consumption Items under CPI, (2) Consumer Price Indices Prepared by MOLE, (a) CPI (IW), (b) CPI (AL) and CPI (RL), (B) The Wholesale Price Index (WPI), Difference Between WPI and CPI, Changing Consumption Pattern and Change in the Commodity Basket and Weights, **6. Core Inflation and Non-Core Inflation - Core Inflation, Non-core Inflation and Headline Inflation—Monetary Policy Relevance, 7. Food Inflation in India - Reasons for Food Inflation, Protein Inflation: What is Inside Food Inflation?, Measurement of Food Inflation, Consumer Food Price Index (CFPI), Food Index -WPI, 8. Inflation Forecasting and Inflation Expectations, 9. The Nature and Causes of Inflation in India—Demand-pull Factors, Cost-push Factors, Control of Inflation in India.**

**7. EVOLUTION OF THE INDIAN BANKING SECTOR.....173 - 185**

**1. The Banking Sector and its Role in the Country's Economic Development, 2. Evolution of Commercial Banking in India – (I) Beginning of Banking in India: the Early Phase of Banking in India -up to 1947, (II) Post Partition Consolidation and RBI's Emergence as a Regulator (1947 to 1967), (III) Social Control over Banks (1967- 1991) and the Spread of Banking, Nationalisation of Banks, Pre-reform Features of the Banking Sector and Banking Sector Crisis, The Narasimham Committee on Financial Sector (CFS 1992), Narasimham Committee-II, Banking Sector Reforms (CFSR 1998), (IV) Banking Sector Reforms Induced Consolidation (1992-2007), Financial Sector Reforms, Components of Financial Sector Reforms, Banking Sector Reforms, Impacts of Banking Sector Reforms, (V) Post-crisis Reforms in the Banking Sector (2007 onwards), 3. Recent Transformation in the Banking Sector**

**8. BANKING SECTOR IN INDIA: STRUCTURE AND DEVELOPMENTS..... 187 - 207**

**1. The Banking System in India - Regulatory Classification, 2. Changing Structure of Commercial Banks in India - (1) Public Sector Banks (PSBs), (2) Private sector Banks (PVBs), (3) Foreign Banks, (4) Small Finance Banks, (5) Payment Banks, (6) Local Area Banks, (7) Regional Rural Banks, 3. Importance of the Banking System - Recent Challenges to the Banking Sector, 4. Functions of Commercial Banks in India, 5. Differentiated Banks - Why Differentiated Banks?, Differentiated Bank Licensing Policy, How Differentiated Banks Differ from Universal Banks?, 5 (a) Payment Banks, 5 (b) Small Finance Banks, Conversion of UCBs into SFBs, 6. Changing Structure of the Banking Sector - Entry of Differentiated Banks, Consolidation, 7. Bank Licensing Policy - On-tap Bank Licensing Policy, On tap Licensing Policy for Small Finance Banks, RBI IWG on Ownership Guidelines and Corporate Structure of Private Sector Banks, Corporate Ownership of Private Sector Banks, Risks Related to Corporate Ownership of Banks, Banking Ombudsman Scheme, Ombudsman Scheme**

for Non-Banking Financial Companies, 2018, Ombudsman Scheme for Digital Transactions, Integrated Ombudsman (box).

**9. PROBLEMS OF THE INDIAN BANKING SECTOR ..... 209 - 244**

**1.** Trends in NPA and CRAR, **2.** Problems of Public Sector Banks **3.** RBI and Government Measures for the Restructuring of PSBs– (i) Recognition of Bad Assets, (ii) Resolution of Assets, (iii) Recapitalisation, (iv) Governance Reforms, Indradhanush – (i) Appointments, (ii) Bank Board Bureau, (iii) Capitalization, (iv) De-stressing PSBs, (v) Empowerment, (vi) Framework of Accountability, (vii) Governance Reforms, **4.** Recapitalisation of Public Sector Banks, Progress of Recapitalisation –(i) Recapitalisation Bonds, (ii) Budgetary Support, (iii) Market Borrowing, Memorandum of Understanding, EASE Agenda, **5.** Consolidation of PSBs, **6.** Measures Taken by the RBI and Government to Tackle the Deteriorating Asset Quality of Banks, **7.** Resolution of Stressed Assets–RBI’s Resolution Framework – RBI’s Revised Framework for the Resolution of Stressed Assets, Revised Framework for the Resolution of Stressed Assets-2018, RBI’s Prudential Framework for Resolution of Stressed Assets 2019-Major Changes, **8.** Asset Reconstruction Companies (ARCs) – What are ARCs?, SARFAESI Act 2002 – the Origin of ARCs, Performance of ARCs, The Role of ARCs in the Post-COVID Restructuring, **9.** SARFAESI Act 2002 – What is Securitisation?, What is Asset Reconstruction?, What is Meant by ‘Enforcement of Security Interests’ **10.** Central Repository of Information on Large Credits (CRILC), **11.** Debt Recovery Tribunals (DRTs) – Recent Issues Related to DRTs, **12.** Fugitive Economic Offenders Act 2018.

**10. BANKING SECTOR REGULATION IN INDIA ..... 245 - 290**

**1.** Financial Stability and Development Council, **2.** RBI’s Regulation and Supervision, **3.** Regulation and supervision, **4.** Financial Regulation, **5.** The Structure of the Financial System and Regulation - Financial Supervision, **6.** Statutory Power for RBI for Regulation and Supervision, **7.** The Board for Financial Supervision-Banking Supervision Procedure, (7.1) Away from CAMELS to risk-based supervision, (7.2) Introduction of risk-based supervision – SPARC, (7.3) Off-site monitoring and OSMOS, Regulatory and supervisory powers to Financial Institutions, **8.** RBI Reorganises its Regulation and Supervision Departments, **9.** Cooperative Credit Institutions—State Cooperative Banks (StCBs), District Central Co-operative Banks, Primary Agricultural Credit Societies, Long-term cooperative credit institutions, (9.1) Regulation of the cooperative sector, (9.2) Regulation of Urban Cooperative Banks, Regulation of UCBs-Duality of control, (9.3) RBI’s effort to improve the working of Urban Cooperative Banks, (9.4) Regulation and Supervision of UCBs by the RBI, (9.5) Supervision of UCBs, (9.6) Recent regulatory guidelines for UCBs, **10.** Banking Sector and Asset Quality Management- NPA and Other Asset Classifications, Asset Classification-Non-performing Asset (NPA),

Standard asset, Substandard asset, Doubtful asset, Loss asset, Stressed assets, What is Restructured loans?, What is Written off Assets?, **11. Classification of Special Mention Accounts, 12. Stress Testing, 13. Need for Capital to Cover up Assets - What is the Capital to Risky Asset Ratio (CRAR)?, What is Tier I and Tier 2 capital?, 14. Basel III Advanced Capital Standards - Capital requirement under Basel III, Main features of Basel III, Basel III and the preparation by the RBI, Capital Conservation Buffer (CCB), Counter-Cyclical Capital Buffer: Concept and Working, Leverage ratio, Liquidity Coverage Ratio, 15. Provisioning and Provisioning Coverage Ratio, 16. Prompt Corrective Action Framework, 17. Asset Quality Review, 18. Financial Sector Regulation in the Post-Crisis World - What is too big to fail problem?, 19. Asymmetric Information and Adverse Selection - What is Adverse Selection?, Asymmetrical information, What is principal-agent problem?, 20. Moral Hazard Problem, TBTF and Post-crisis Regulations, 21. Resolution Regime - What is resolution?, Resolution Regime in India, 22. Financial Safety Net and the Moral Hazard Problem, 23. Interest Rate Reform in India: PLR to External Benchmarking— Nature of interest rate reforms launched in the early 1990s, Interest rate deregulation and the launch of PLR, Launch of BPLR, Introduction of Base Rate, Launch of MCLR, Move towards external benchmarking, External Benchmark Based Interest Rate, 24. Financial Benchmarking in India - What is financial benchmarking?, Financial Benchmark India Pvt. Ltd (FBIL), FBIL's MIBOR benchmarking, FBIL's valuation of G-Secs, RBI's new directive on Financial Benchmark Administrators, 25. CBLO Market.**

**11. FINANCIAL INCLUSION .....291 -318**

**1. What is Financial Inclusion?, 2. The Extent of Financial Exclusion in India, 3. Barriers to Financial Inclusion, 4. Financial Inclusion Initiatives in India - Early Phase, 5. Financial Inclusion Drive in Recent Period and its Strategy, 6. Financial Inclusion Initiatives, 7. Technology-driven Financial Inclusion, 8. Branch and Branchless Banking, 9. Business Correspondents, 10. Self- Help Group - Bank Linkage Programme, 11. Pradhan Mantri Jan-Dhan Yojana - Small Account under PMJDY, 12. Jan Dhan to Jan Suraksha, 13. Financial Inclusion Plan (FIP) - Achievements under FIP, Comprehensive Financial Inclusion Plan, 14. Differentiated Banking Licensing Policy, 15. Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMGDISHA), 16. Digital Saksharta Abhiyan (DISHA), 17. Vittiya Saksharta Abhiyan, 18. National Strategy for Financial Inclusion - Strategic Objectives and Pillars of National Strategy for Financial Inclusion, 19. Financial Literacy and Financial Education, 20. Microfinance in India - Significance of Microfinance in India, Channels for Microfinance Lending, The SHG Bank Linkage Programme (SHG-BLP), Regulation of Microfinance – the Emergence of NBFI-MFIs, Priority Sector Lending (PSL), Modification of the PSL norms? by the RBI in June 2021, Priority sector norm for UCBS (Primary Cooperative Banks), Important categories under priority sector, Weaker Sections, Shortfall in PSL and the remedial measures, Priority sector lending by SFBs and RRBs, Priority Sector Lending Certificates scheme.**

**12. DIGITAL PAYMENTS SYSTEMS IN INDIA.....319 - 351**

**1.** Digital Payment Scenario in India, **2.** RBI-Payment and Settlement System in India – Vision 2019-21, **3.** National Payment Corporation of India, **4.** Efforts for the Promotion of Digital Payments – Digital Payment Platforms Developed by NPCI and other players - (1) Retail payment facilities, (2) Banking Cards, (3) USSD based \*99#, (4) Internet Banking, (5) Mobile Banking, (6) Prepaid instruments, including mobile wallets, (7) Point of Sale (PoS) machines, (8) Bharat Bill Payments System (BBPS), (9) National Financial Switch (NFS), **5.** Challenges and Prospects for Cashless Transaction Economy, **6.** RBI as the Manager of the Payment System and Promoter of the Cashless Economy, **7.** SIFMIs and Retail Digital Payments, **8.** Digital Transaction Mode for the Masses: Role of Digital Retail Payments - Improvement in Acceptance Infrastructure, **9.** Payment and Settlement System Act 2007, **10.** Unified Payments Interface (UPI) - Growth of UPI, **11.** Digital Payment and Settlement System: Leading Trends - BHIM, National Electronic Fund Transfer (NEFT), Real Time Gross Settlement (RTGS), **12.** Prepaid Payment Instruments (PPIs) - Types of PPIs - (i) Closed System Payment Instruments, (ii) Semi-Closed System Payment Instruments, (iii) Open System Payment Instruments (Multipurpose Cards), **13.** The Payment Ecosystem, **14.** Electronic Money, **15.** Electronic Money Regulations in India, **16.** Cryptocurrency Regulation in India—Indian Scenario, Risks Related with VCs, RBI's Stance on Cryptocurrencies (16.1) Tax Department on VC Investment - Need for Regulation, Government Panel on VCs, **17.** Implications of Electronic Money on Central Bank's Monetary Policy—Can Electronic Money Substitute Central Bank Money? **18.** Central Bank Digital Currency (CBDC).

**13. BONDS AND THE GOVERNMENT SECURITIES MARKET..... 353 - 374**

**A.** Basic Concepts about Bonds— **1.** What is a 'Bond' - The Purpose of Bond Issue, **2.** Basic Concepts Related to Bonds – (a) Face Value of Bond, (b) Coupon, (c) Maturity Date, (d) Bond Price, **3.** How the Bond Price is Measured and Expressed? **4.** Bond Valuation, **5.** Yield - Calculation of Yield, (1) Coupon Yield, (2) Current Yield, (3) Yield to Maturity, Yield Curve, Types of Yield Curve - Normal Yield Curve, Negative or Inverted Yield Curve, Flat Yield Curve **B.** Government Securities Market in India— **6.** Treasury Bills (T-bills), **7.** Dated Government Securities or Bonds - Different Types of Bonds, **8.** Cash Management Bills (CMBs), **9.** State Development Loans - SDL as a Market-based Borrowing Arrangement for States, Issue and Marketability of SDLs, Trading of SDLs, Interest Rate or Yield on SDLs, Who Buys SDLs?, **10.** Advantages for Financial Institutions Investing in Government Securities, **11.** How Government Securities are issued? - Different Types of Auctions for the Issue of G-Secs – (1) Yield Based Auction, (2) Price Based Auction, Buyback of Government Securities, Trading in Government Securities, **12.** Negative-yielding Bonds - How to Understand Negative-

yielding Bonds?, **13.** Negotiated Dealing System (NDS)- Major Players in the G-Sec Market, **14.** E-Kuber, **15.** Primary Dealers (PDs), **16.** Operation Twist.

**14. BALANCE OF PAYMENTS – BASIC CONCEPTS AND INDIA'S BoP .....375 - 387**

**1.** Entry of Transactions in the Form of Credit and Debit, **2.** Components of Balance of Payments Account – (A) The Current Account, (a) Trade Account, (b) Invisibles Account— (i) Services, (ii) Transfers (also called as unilateral transfers/unilateral transfer account) - (a) Official transfers, (b) Private transfers, (iii) Income, Main Trends in India's Invisibles Account, Current Account Situation of India, Current Account 2019-20, (B) The Capital Account—Long-term capital account, Short-term capital account, Capital Account of India 2019-20, (C) Overall Balance of Payments, **3.** RBI's Foreign Exchange Reserve and the Balance of Payments Account, **4.** Various Forms of Capital Account Transactions (1) Foreign Investment (2) Loans (3) Banking Capital (4) Rupee Debt Service, **5.** Features of India's Balance of Payments Account.

**15. INDIA'S EXCHANGE RATE SYSTEM ..... 389 - 406**

**1.** What is Exchange Rate?, **2.** How Exchange Rate is Set and Managed?, **3.** What is Exchange Rate System?, **4.** Types of Exchange Rate Systems - (1) Fixed or Pegged Exchange Rate System, Role of Forex Reserves under Fixed ERS, (2) Floating or Flexible Exchange Rate System, Advantages of Floating ERS, Disadvantages of Floating ERS, (3) Managed Floating or Intermediate Exchange Rate System, India's Transition to Managed Floating, **5.** Appreciation, Depreciation Devaluation and Revaluation: Their Effects on Trade and Investment - Effect of Depreciation on External Debt Holders or for Those who have Borrowed from Overseas, **6.** Factors Influencing the Value of Rupee, **7.** NEER and REER—NEER and REER Measurement in India, **8.** Undervalued Currency, **9.** Foreign Exchange Reserves, **10.** India's International Investment Position.

**16. THE INTERNATIONAL MONETARY FUND (IMF) ..... 407 - 447**

**1.** The Bretton Woods System, **2.** What is International Monetary System? - International Monetary System till the Second World War, **3.** The Bretton Woods Conference, **4.** The Bretton Woods System, Features of the Bretton Woods System, The Collapse of the Bretton Woods System, B. The International Monetary Fund, **5.** Establishment of the IMF, **6.** Objectives of the IMF, **7.** Membership and Quota in the IMF - How a Member Country's Quota is Determined?, Multiple Purposes of the Quotas, **8.** Mutation of the Fund, **9.** IMF's functions – (i) Surveillance, Surveillance – nature and importance, (ii) Generating Economic and Financial Data, (iii) Technical Assistance and Training to officials of the Member Countries, (iv) Providing Financial Assistance to Member Countries, Reserve or Gold Tranche and Credit Tranche, IMF

Conditionality, Different Lending Schemes of the IMF, Non-concessional Assistance- (i) Stand-by Arrangement (SBA), (ii) Flexible Credit Line, (iii) Precautionary and Liquidity Line (PLL), (iv) Extended Fund Facility, (v) Rapid Financing Instrument (RFI), Post Financing Assessment (PFA), The Policy Coordination Instrument (PCI), Trade Integration Mechanism (TIM), Concessional Loans: the New Architecture of Concessional Loan Facilities to the Low-Income Countries, **10.** Special Drawing Rights (SDR) - What is SDR?, Creation and Allocation of SDR, SDR Basket of Currencies, Value of SDR, Interest Payments on SDRs, SDR Interest Rate, SDR Transactions, SDR Trading, SDR Allocation in the Context of COVID-19 Crisis, Justifications for Increasing the SDR, Opposition for Raising the SDR, **11.** IMF After the Fall of the Bretton Woods system, **12.** Financial Resources for the IMF - (i) Quotas, (ii) New Arrangements to Borrow (NAB), (iii) Bilateral Borrowing Agreements (BBA), (iv) Contribution from Trust Funds, **13.** Gold Holdings of the IMF, **14.** India and the IMF - Financial Assistance to India—the BoP Crisis of 1991, Technical Assistance to India, RBI's Gold Purchase from the IMF, Note Purchase to Support NAB, Financial Sector Assessment Programme, India and IMF Governance Reforms: India's Demand for Governance Reforms at the IMF and the Fourteenth Quota Reforms, How the IMF Helped India to Tide over the Balance of Payment Crisis of 1991?, **15.** Governance of the Fund - Board of Governors, Executive Board of the IMF, Governance Reforms at the IMF, The Fourteenth Quota Review of the IMF, **16.** The IMF and the global financial crisis: revival after G20 initiatives, **17.** Post Crisis World Economy and the IMF, **18.** Why the IMF is Important in the New World Economic System Featured by Interconnectedness and Capital Mobility?.

## 17. THE WORLD TRADE ORGANISATION ..... 449 - 519

**1.** Establishment of GATT - Uruguay Round (Eighth Round) and the establishment of WTO, **2.** The GATT to WTO, **3.** Objectives of WTO, **4.** Organisation Structure of the WTO— The Ministerial Conference (MC), General Council, **5.** Principles of the WTO's Trading System - Most Favoured Nation Treatment (MFN), National Treatment, **6.** Classification of Countries under WTO - Self-selection of Developing Country Status, Least Developed Countries, **7.** Agreements under WTO , (i) Trade-Related Intellectual Property Rights (TRIPs), TRIPs as WTO's IPR Regime, TRIPs and Indian Response, India's Patent Regime and TRIPs, Changes Brought by the Various Amendments in India's Patent Regime, Patent Amendments in India to Make it TRIPs Binding, TRIPS Plus, India's Stand on TRIPS Plus, COVID and Compulsory Licensing: the Big Debate, (ii) Trade-Related Investment Measures (TRIMs), (iii) General Agreement on Trade in Services (GATS), The Four Modes of Services Supply, Services Trade Liberalisation and Domestic Regulation in the WTO, Domestic Regulations, Developing Countries and GATS, India's Interest in the Opening up of Services Trade, Modes of India's Interest, India's Services Trade Proposal: Trade Facilitation Agreement for Services (TFS), WTO's Discussion on TFS, (iv) Agreement on Agriculture (AoA), Objectives of

AoA - (A) Market Access, (B) Domestic Support, (a) Green Box, (1) Public Services Programmes, (2) Direct Payment to Producers, Food Security under the Green Box, Why MSP-based Food Security Programme is not Eligible for Green Box Subsidy?, (b) Blue Box, (c) AMS (Aggregate Measurement of Support), AMS and TAMS, What is TAMS?, (d) Special and Differential Treatment Box (S&DT), (e) De-minimis Support, Different Subsidies and Reduction Commitments, (C) Export Subsidy, (7.4.1) Domestic Support Scenario: Developing vs Developed, (7.4.2) Imbalances in the Original Text, (7.4.3) Profile or Structure of India's Domestic Support, Special and Differential Treatment Box (S&DT) by India, Aggregate Measurement of Support (AMS), (7.4.4) The Food Security Programme, Bali, Nairobi and Buenos Aires Summits and India's Demand for Restructuring the AoA, The Buenos Aires MC on Food Security, (7.4.5) WTO and Indian Agriculture, Welfare of the Subsistence Farmers, Food Security and WTO Incompatibility, India's Agricultural Trade Liberalisation Strategy, (7.4.6) Special Safeguard Mechanism, Doha Development Agenda and the Origin of the SSM, (7.4.7) Key Indian Demands on Farm Sector Trade Liberalization, Dispute Settlement on AoA Matters, **8. Tariff Reduction Under WTO - What is Bound Rate?**, **9. Non-Agricultural Market Access (NAMA)**, **10. Trade Defence Measures at the Disposal of the WTO Members**, **11. New Issues - The New Issue at the Buenos Aires and Nairobi Ministerial Conferences**, **12. India and the WTO**, **13. Advantages of WTO as a Trade-facilitating Institution**, **14. Drawbacks of WTO**, **15. Emerging Divergence among the WTO Members**, **16. The Doha Development Agenda**, **17. Future of the Multilateral Trading System - Protectionism as a Bigger Challenge to WTO's Multilateralism**, **18. Regional Trade Blocs (RTBs) vs WTO**, **19. WTO's Dispute Settlement Mechanism - Dispute Settlement Body (DSB), Dispute Settlement Panel, Appellate Body, US Vetoing of the Appointment of Members to the Appellate Body**, **20. WTO - Buenos Aires Ministerial Conference and after - WTO's Existential Crisis and the Buenos Aires MC**, **21. The Leading Issue on WTO - (i) US Stand on WTO's Trade Rules, (ii) E-commerce and WTO, Moratorium on Digital Trade – Developed vs Developing, E-commerce at Buenos Aires, Outcome on e-commerce, India's Stand, (iii) Fisheries Subsidies, India's Stand on Fisheries Subsidies, (iv) Investment Facilitation, (v) MSMEs at Buenos Aires, Proposal on MSMEs at WTO, Objections from Developing Countries Including India, (vi) Gender Equality, Why Did India Refuse to Support the Declaration?, (vii) New Trade Issues Promoted by RTBs, India's Export Subsidy Issue Raised by the US**, **22. WTO Reforms - Why Countries are Demanding Reform of the WTO?, Consensus-based Decision Making, How the Consensus-based Decision Making Became Difficult under WTO?, India's Stand on WTO Reforms**, **23. The Emergence of Plurilateralism-, Plurilateralism vs Multilateralism**, **24. Special and Differential Treatment**, **25. China's Accession to the WTO.**

- 18. INTELLECTUAL PROPERTY REGIME AND DEVELOPMENT POLICY IN INDIA ..... 521 - 560**
- 1.** What is Intellectual Property?, **2.** TRIPs and the Emergence of a Global IPRs Regime, **3.** Intellectual Property Right Regime in India - India's Intellectual Property Right Regime after TRIPs, IPRs Regime and Development Priorities for India, **4.** Meaning and Importance of Patents, **5.** The Indian Patent Regime - The Difference Brought by the Various Amendments in India's Patent Regime, Amendments to the 1970 Patent Act, Patent Amendment Act 2005, Safeguards Provided under the Patent Amendment Act 2005, Exclusion from Patentability under the Amended Patent Act, Section 3 d and its Implication, Compulsory Licensing, Protection of Traditional Knowledge, India's Patent Regime and Protection of Traditional Knowledge, Traditional Knowledge Digital Library, **6.** Indian Pharmaceutical Industry in the Post TRIPs Regime: Challenges, **7.** India as the Pharmacy of the Developing World – US FDA Approved Sites, High Import Dependency in the case of API, **8.** The Face-off Between the Developing and Developed World Firms, **9.** Rising Number of Brownfield FDI, **10.** Copy Right Act - Copy Right Act 2010, **11.** Geographical Indications Act 1999, **12.** Trademark Act 1999 - Registration of Trademark, **13.** Trade Secret in India, **14.** Protection of Plant Varieties in India, Protection of Plant Varieties and Farmer's Right Act 2001, **15.** Intellectual Property Policy of India – Objectives, **16.** Administration of the Patent Regime - Qualifications of a Patentable Invention, Procedure for Patent Application, Types of Patent Applications in India, The Paris Convention, National Treatment, Priority Right, The Patent Cooperation Treaty (PCT) - (i) Ordinary Application, (ii) Convention Application, (iii) PCT International Application, (iv) PCT-National Phase Application, (v) Application of Patent of Addition, (vi) Divisional Application, Publication and Examination of Patent Application, Examination of the Patent, Examination.
- 19. CAPITAL ACCOUNT CONVERTIBILITY AND FOREIGN CAPITAL ..... 561 - 593**
